

# Welcome to Broadway's Best Summer Camp!

**ICL Academy | June 20 - 24**

**10720 Thornmint Road. Suite C - San Diego, CA 92127**

- On Monday, the camp students pick what songs they want to perform for our Friday showcase. I then go home and find the Broadway lines that lead into each song and create a draft script.
- On Tuesday, camp students choose which character they want to be.
- On Wednesday, I hand out the final script (lines assigned) and music cd.
- Students will get a **1 hour dance class (Mon - Thurs.)** and a **30 minute voice class (Mon, Tues. Wed, Thurs.)!** In the voice class, students will vocalize, learn about the singing voice, and then work on a group song which will be performed during our final showcase on Friday. The dance class is a real dance class complete with dance warm up, across the floor exercises, and then working up several musical theatre dance numbers which will be performed at our final showcase on Friday.
- Everyday we will have **fun acting games** which develop acting ability effortlessly. Kids learn more when they are having fun, and that is what they will be doing... laughing all the way to a better acting level.
- The rest of the day will be spent **creating our show**. We will make up choreography and work on scenes leading into our songs.
- The final day the showcase will be in the same venue we rehearsed in. Academy of Dance Arts.
- Performance t-shirt will be given the day of the show! It is theirs to keep!
- Tell your friends! This is a fun camp, and we'd love to have your friends join us too : )
